FEATHER ®

BLADES

DISPOSABLE
STERILE SCALPELS

Feather Disposable Sterile Scalpels are ideal for operating rooms, surgical facilities, and medical kits and are excellent for delicate procedures when precise control is needed.

Feather, a blade manufacturer of global renown, utilizes high-precision technology and carefully selected materials. Each Feather scalpel is made in Japan and meets strict ISO standards, resulting in exceptionally high quality and consistent strength and sharpness.

Features

- Sterile: Gamma-sterilized and ready for use immediately after opening
- Single-use/Disposable: Helps prevent patient cross-contamination
- Individually packaged: Hermetically sealed aluminum foil packaging complete with clear window for product selection verification and pull tabs for easy opening
- Heat-treated stainless steel blade: Double-honed blade ensures sharp cutting edges with superb durability
- ABS* handle includes textured grip
- Protective snap-off cover: Protects blade and user until ready to use
- Available in 9 sizes: Including most common blade sizes
- Color-coded by size: Packaging assists with blade identification
- Individually packaged 20 per dispensing box
